

A photograph of a forest path. Sunlight filters through the trees, creating a hazy, golden atmosphere. The path is dirt and leads into the distance. The trees are tall and thin, with dense green foliage. The overall mood is peaceful and contemplative.

 SEARCHING FOR WISDOM

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and somewhat mysterious.

Death and life are in the power of the  
tongue,  
and those who love it will eat its fruits.  
(18:21)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and slightly mysterious.

There is one whose rash words are like  
sword thrusts. . . .

(12:18)

*Words are loaded pistols.*

Jean-Paul Sartre

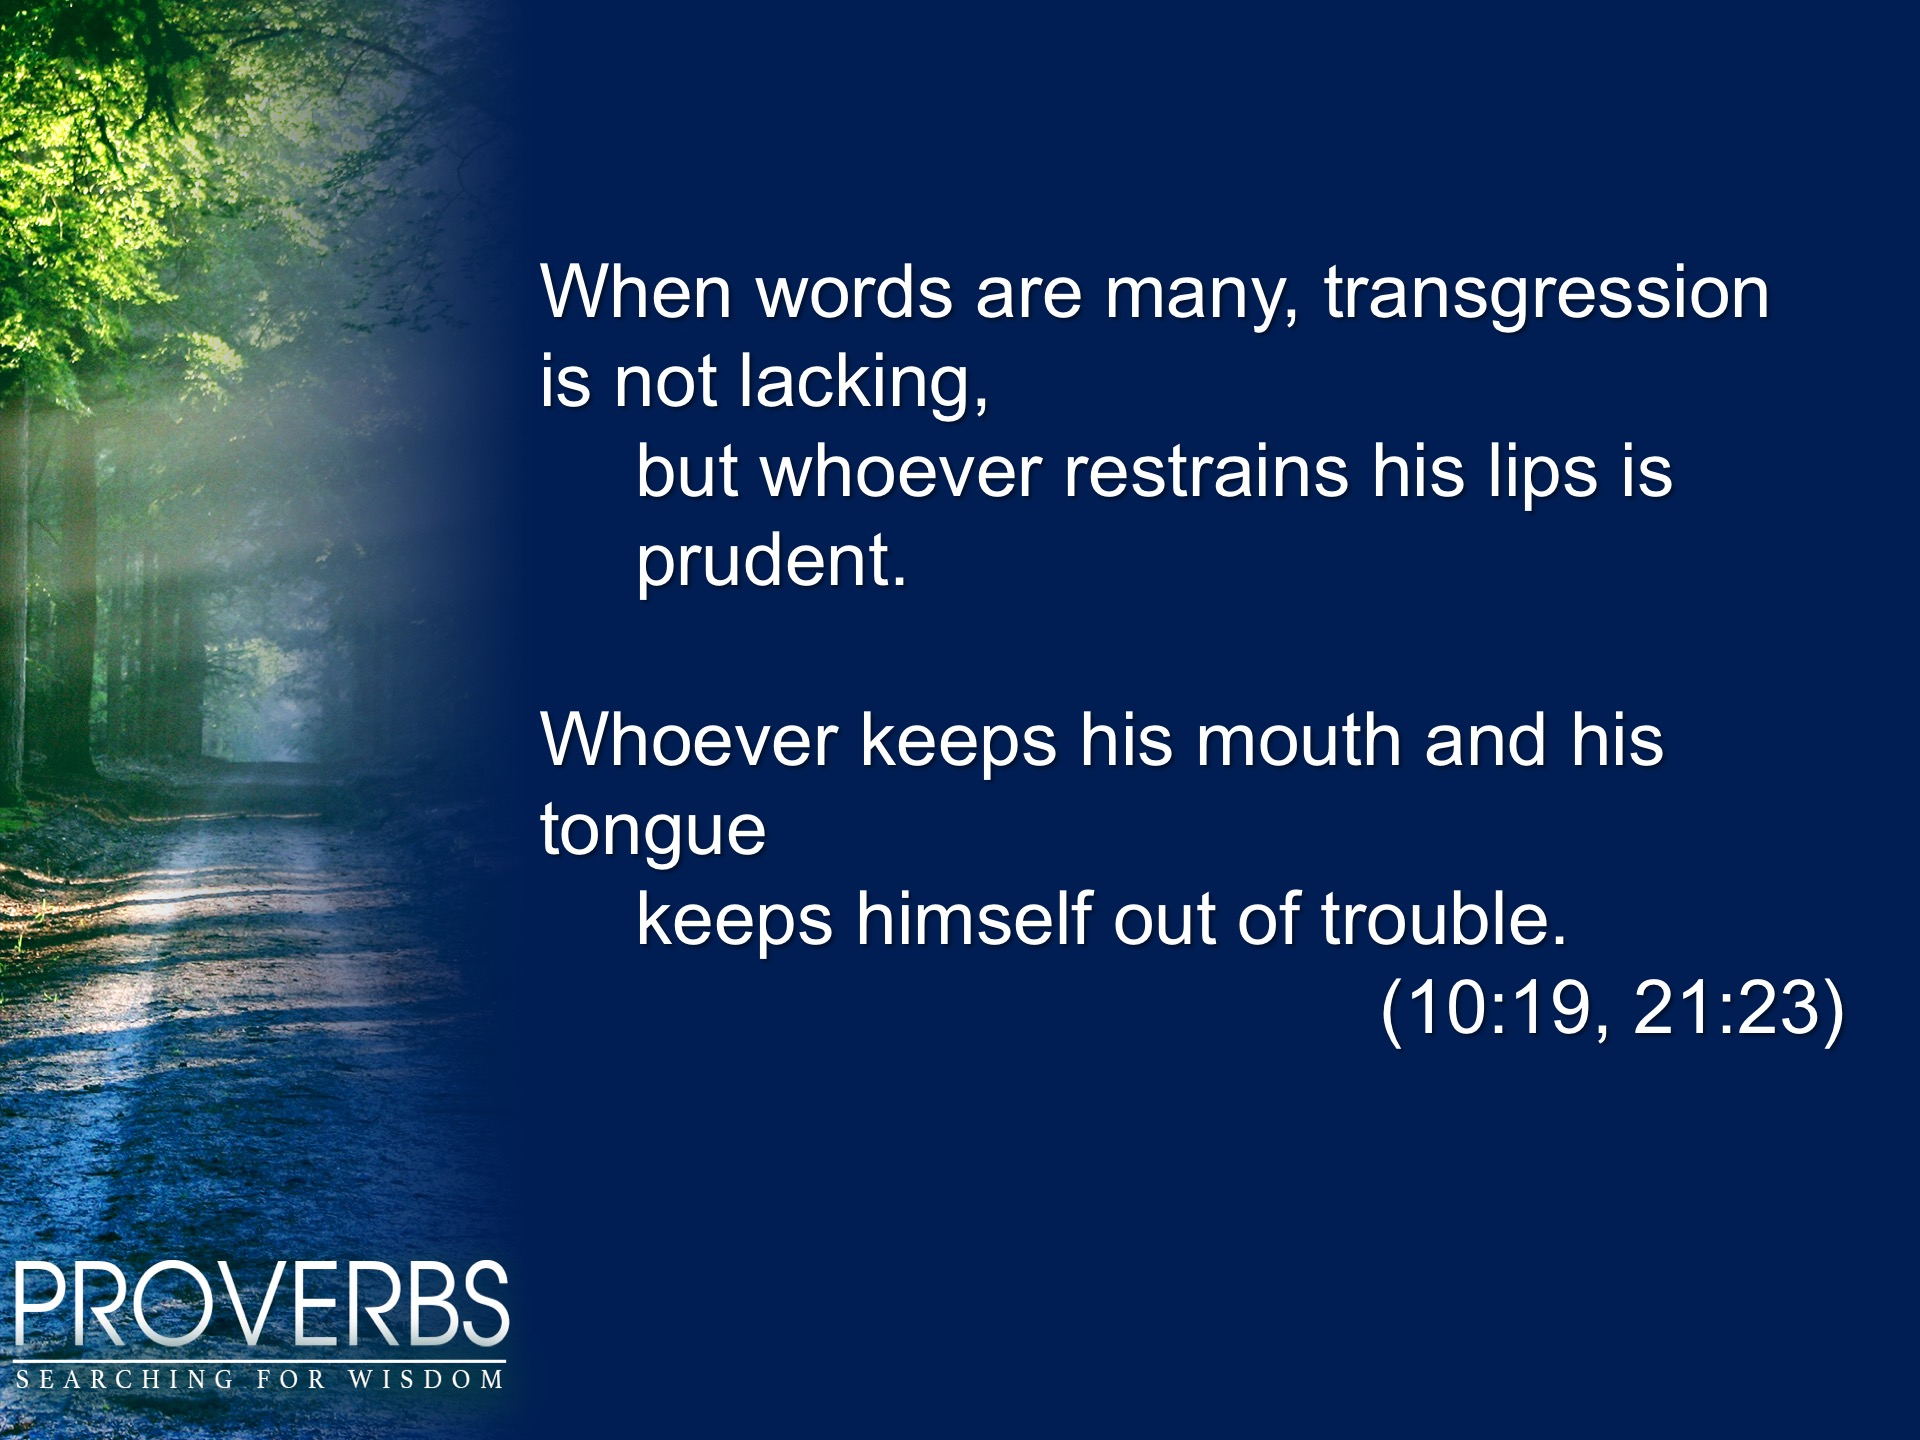

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and slightly mysterious.

An evil man is ensnared by the  
transgression of his lips. . . .

A fool's lips walk into a fight,  
and his mouth invites a beating.  
(12:16, 18:6)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and quiet.

When words are many, transgression  
is not lacking,  
but whoever restrains his lips is  
prudent.

Whoever keeps his mouth and his  
tongue  
keeps himself out of trouble.

(10:19, 21:23)

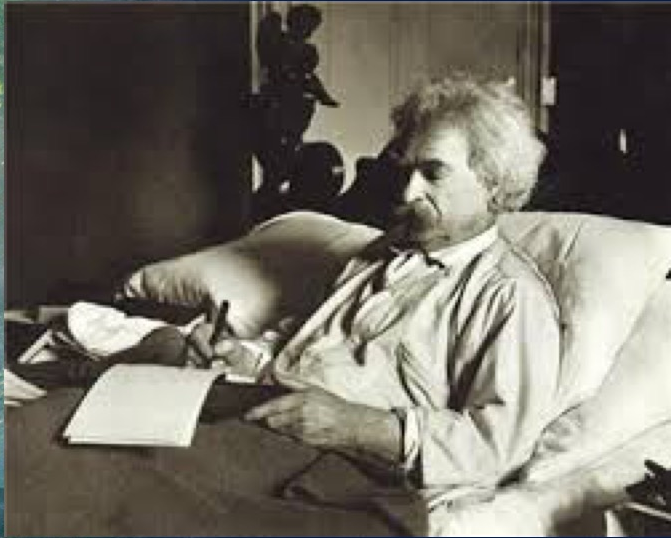

John Calvin

*I consider looseness with words no less of a defect than looseness of the bowels.*

*The right word may be effective but no word was ever as effective as the rightly timed pause.*

Mark Twain

The lips of the righteous feed many,  
but fools die for lack of sense.

Anxiety in a man's heart weighs him  
down,  
but a good word makes him glad.

*Words are the physicians  
of a mind diseased.*

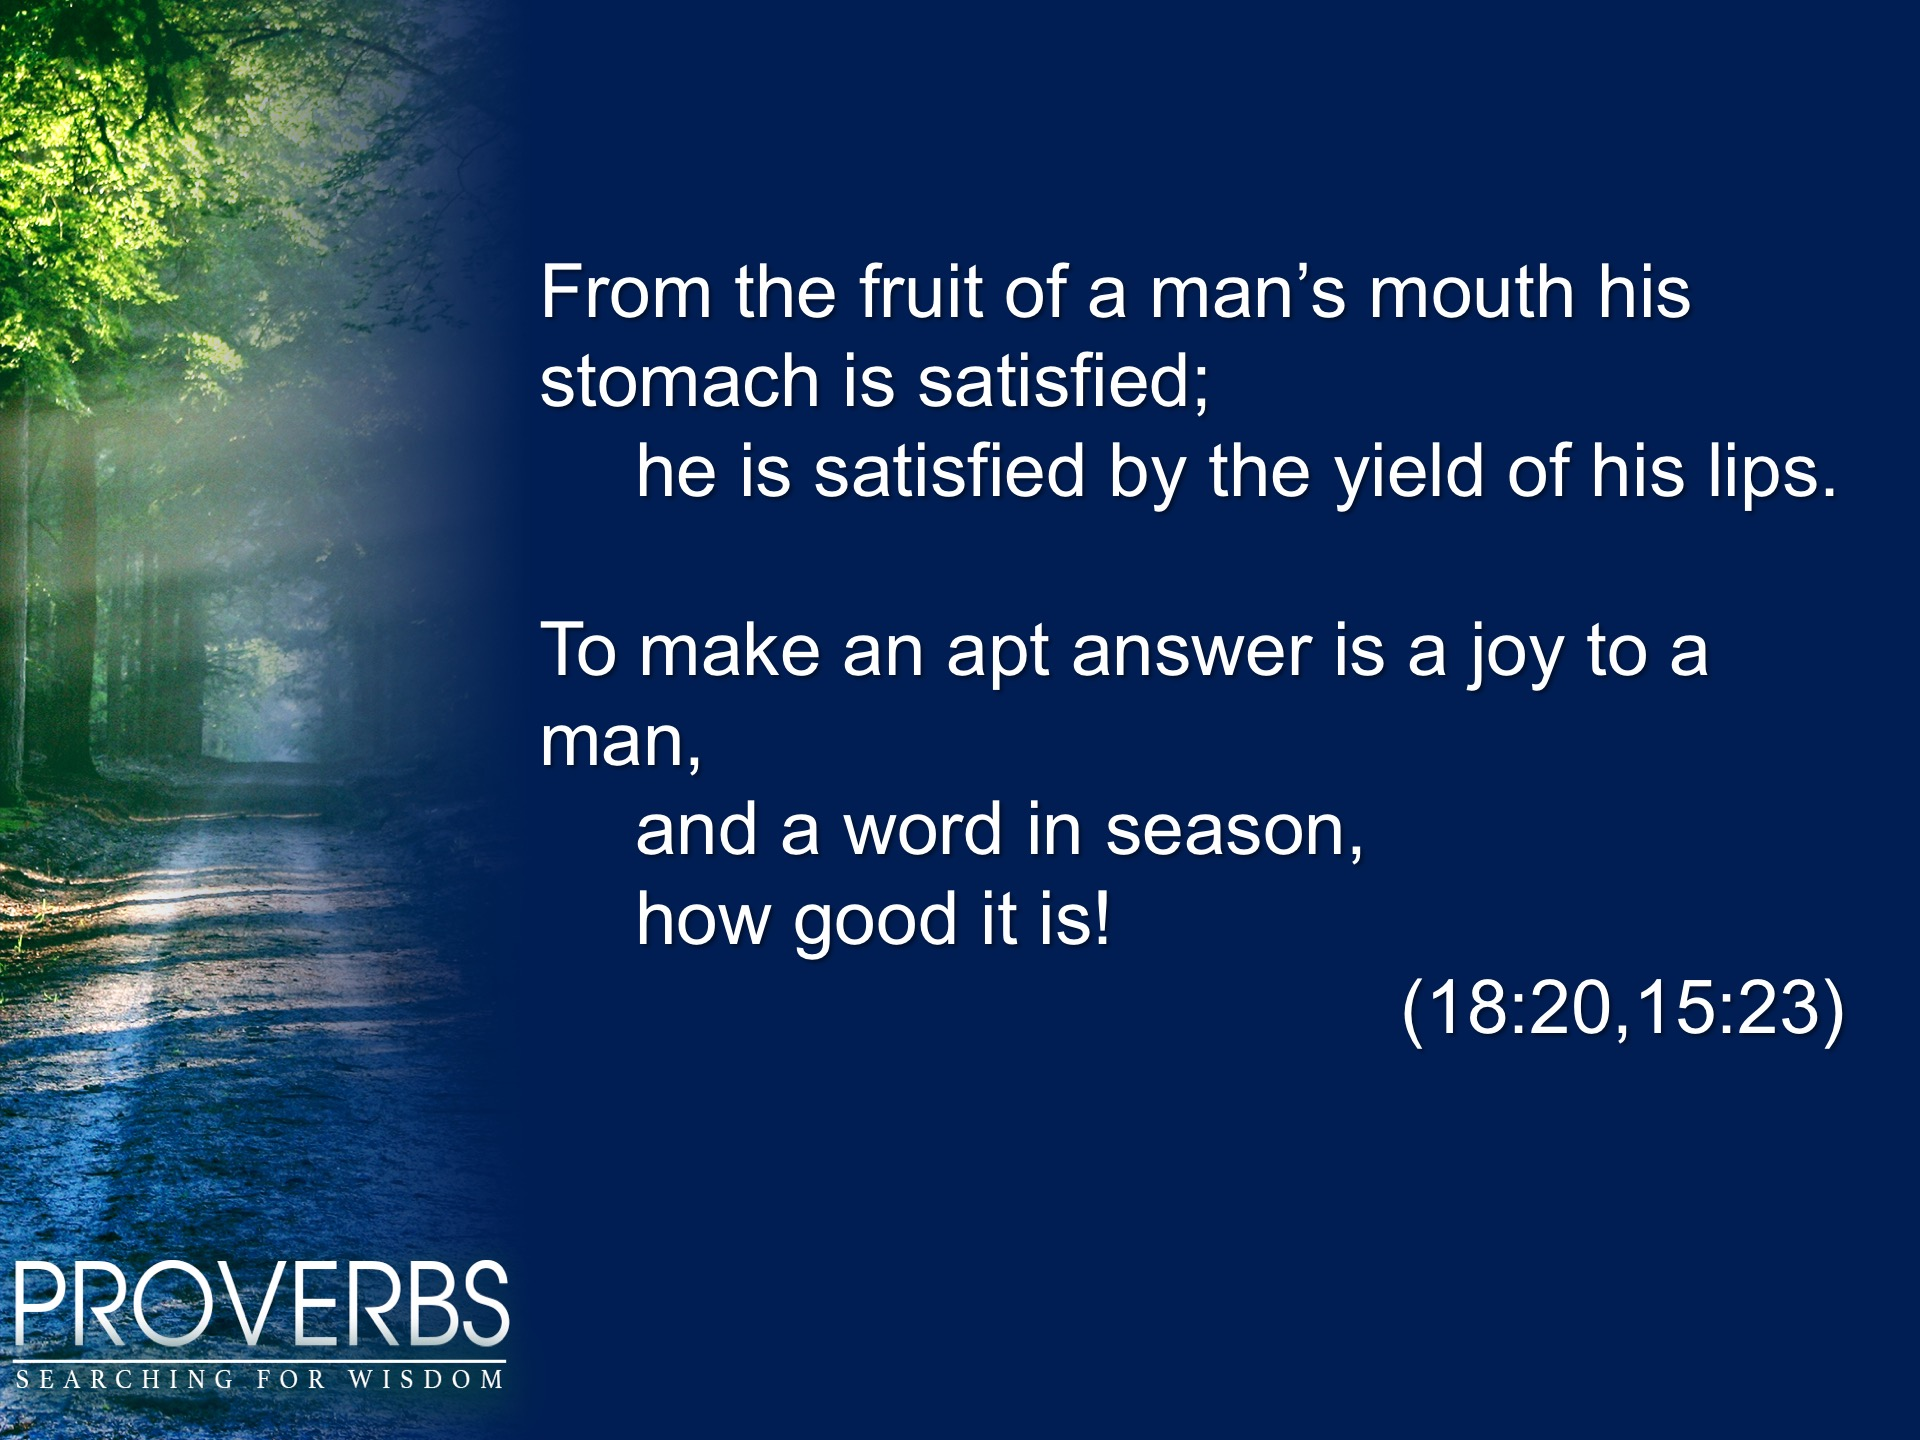

Aeschylus

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and peaceful.

Gracious words are like a honeycomb,  
sweetness to the soul and health to  
the body.

(16:24)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and peaceful.

From the fruit of a man's mouth his  
stomach is satisfied;  
he is satisfied by the yield of his lips.

To make an apt answer is a joy to a  
man,  
and a word in season,  
how good it is!

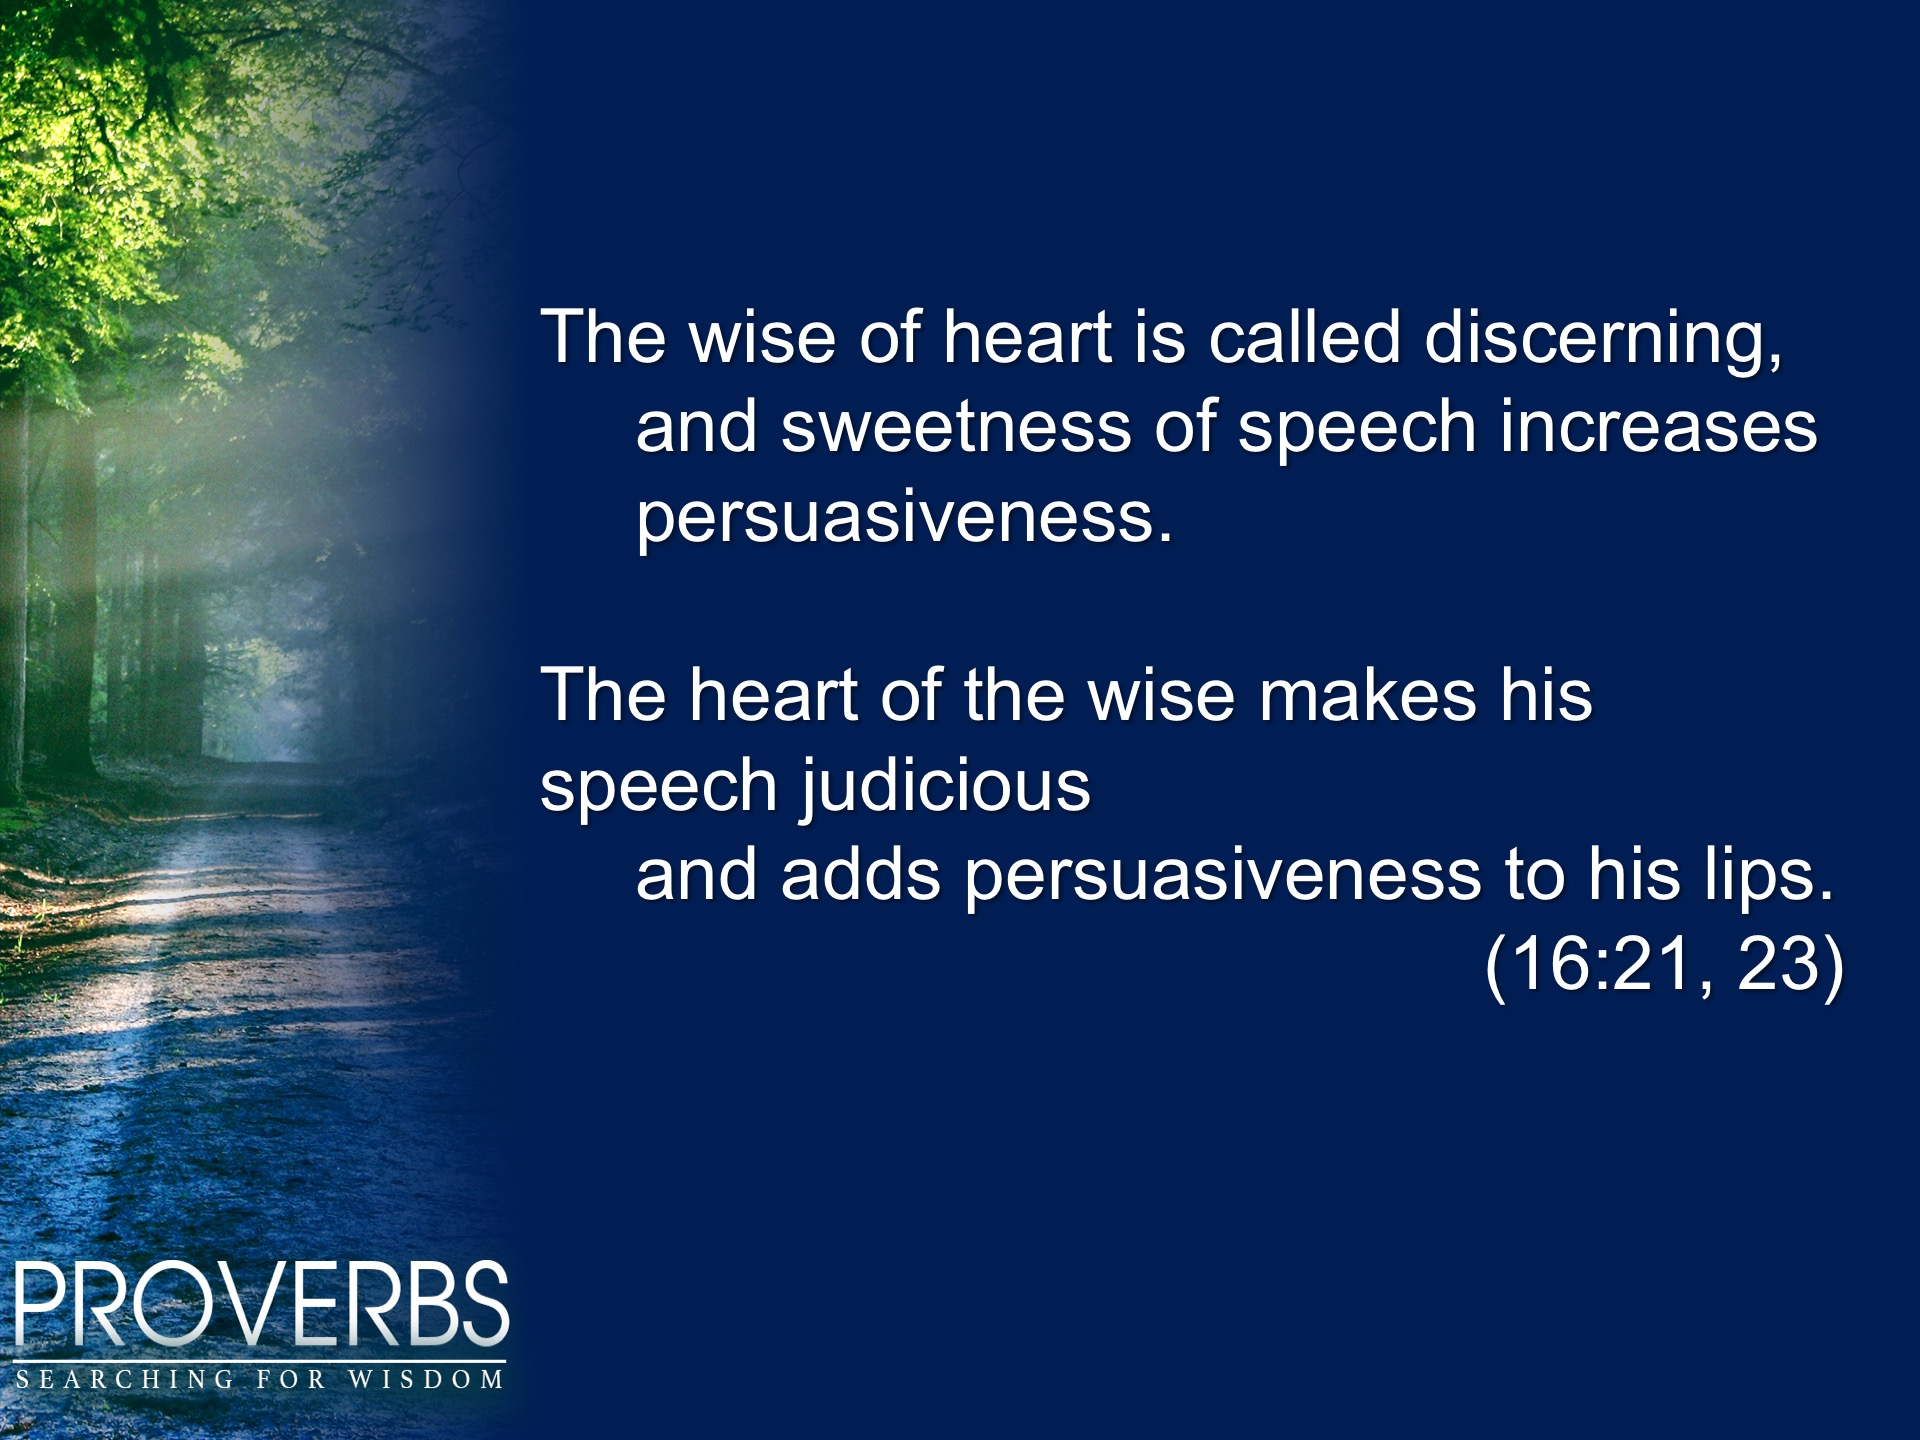

(18:20, 15:23)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and quiet.

Open your mouth for the mute,  
for the rights of all who are destitute.

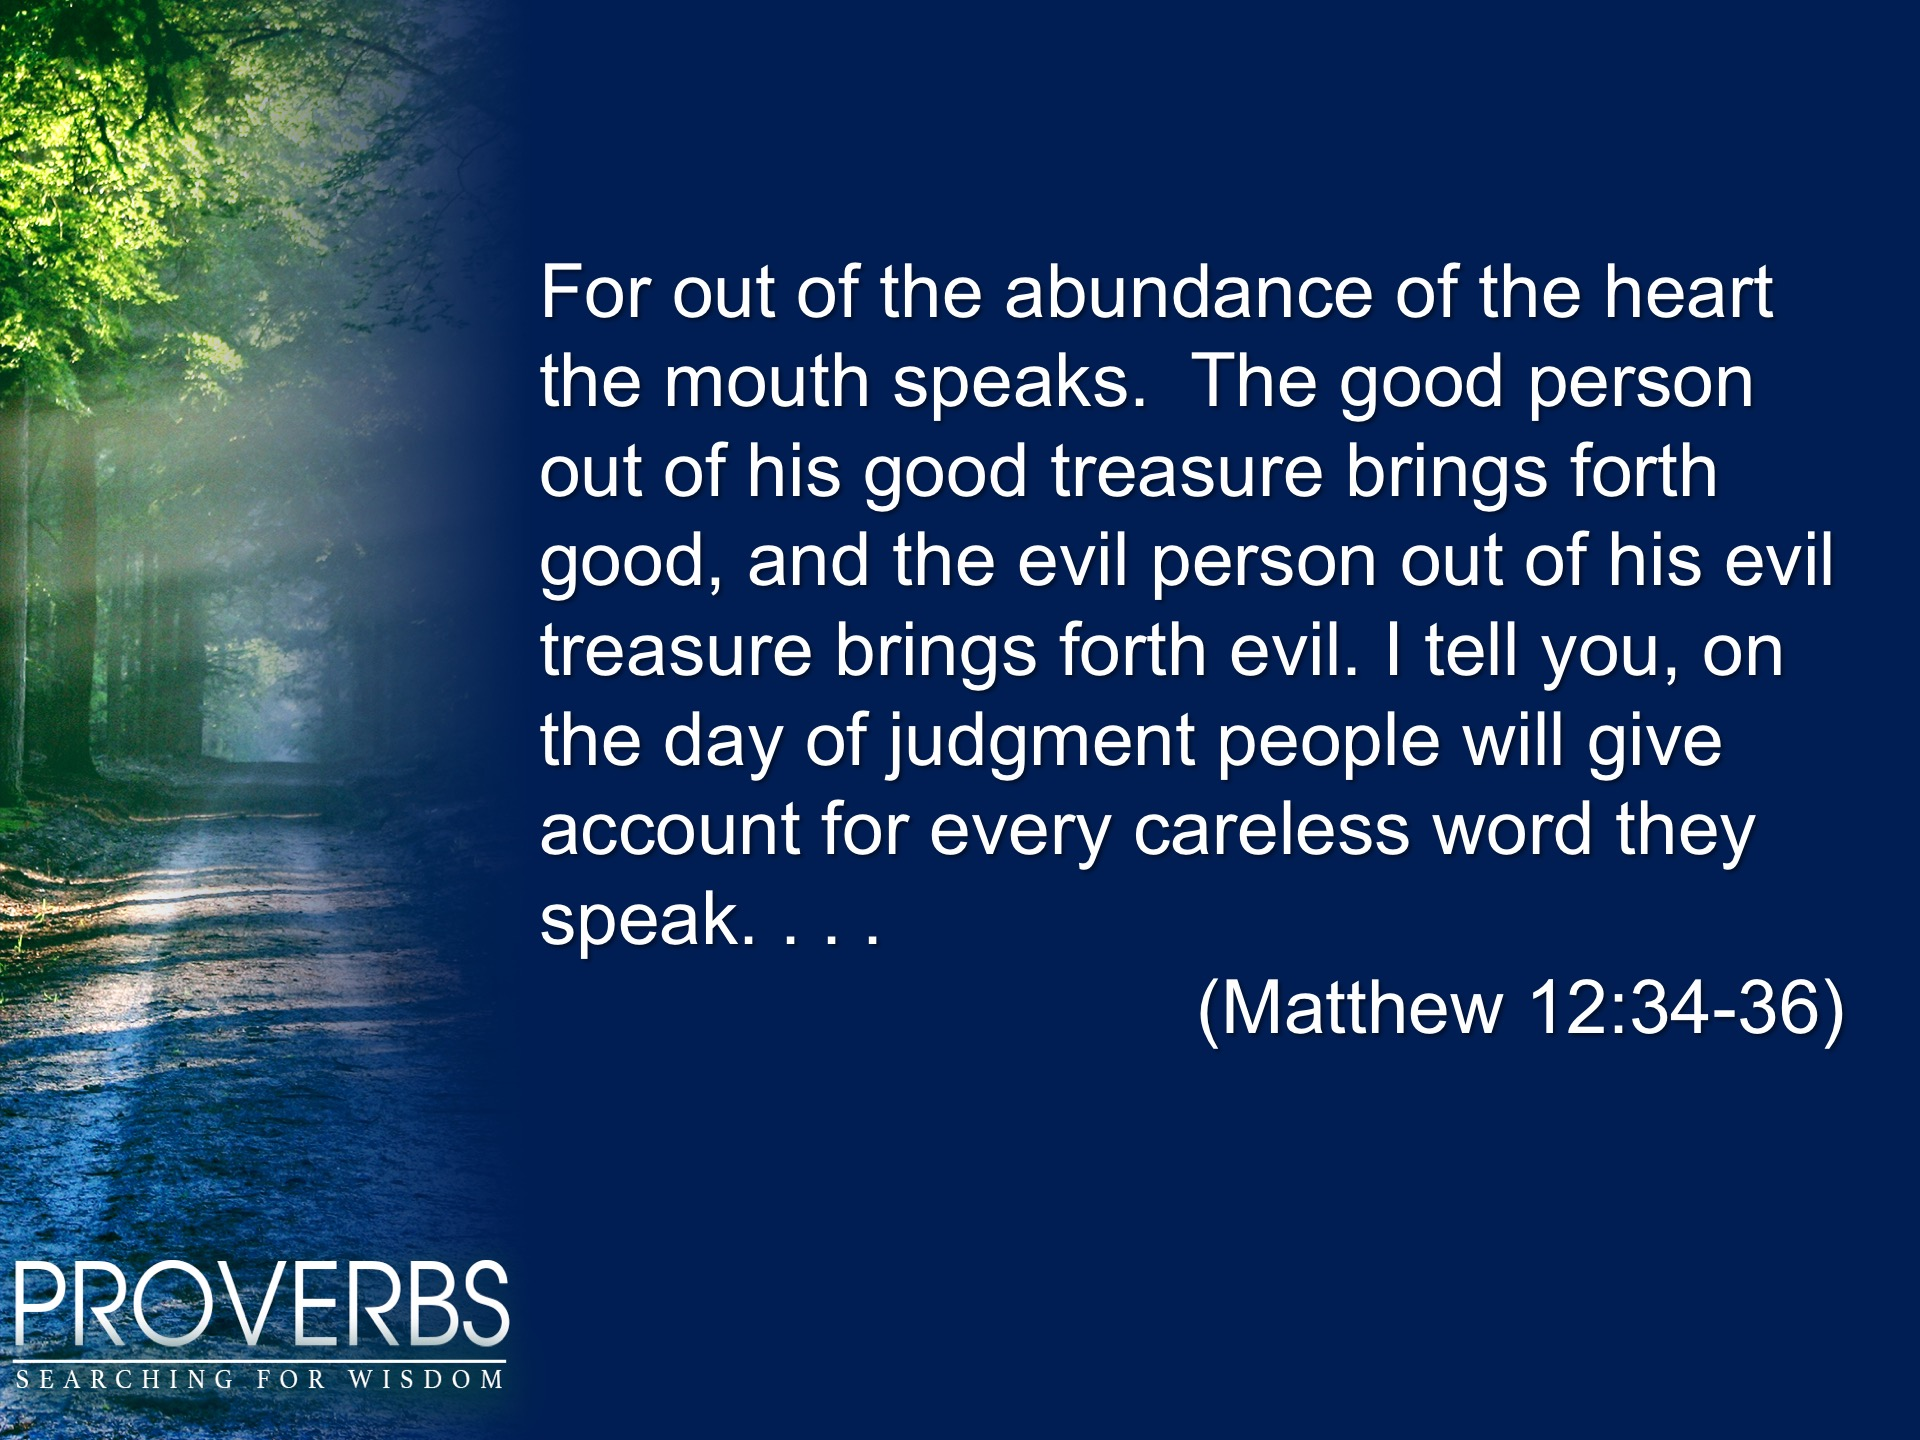

(31:8)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and peaceful.

The wise of heart is called discerning,  
and sweetness of speech increases  
persuasiveness.

The heart of the wise makes his  
speech judicious  
and adds persuasiveness to his lips.  
(16:21, 23)

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and peaceful.

For out of the abundance of the heart  
the mouth speaks. The good person  
out of his good treasure brings forth  
good, and the evil person out of his evil  
treasure brings forth evil. I tell you, on  
the day of judgment people will give  
account for every careless word they  
speak. . . .

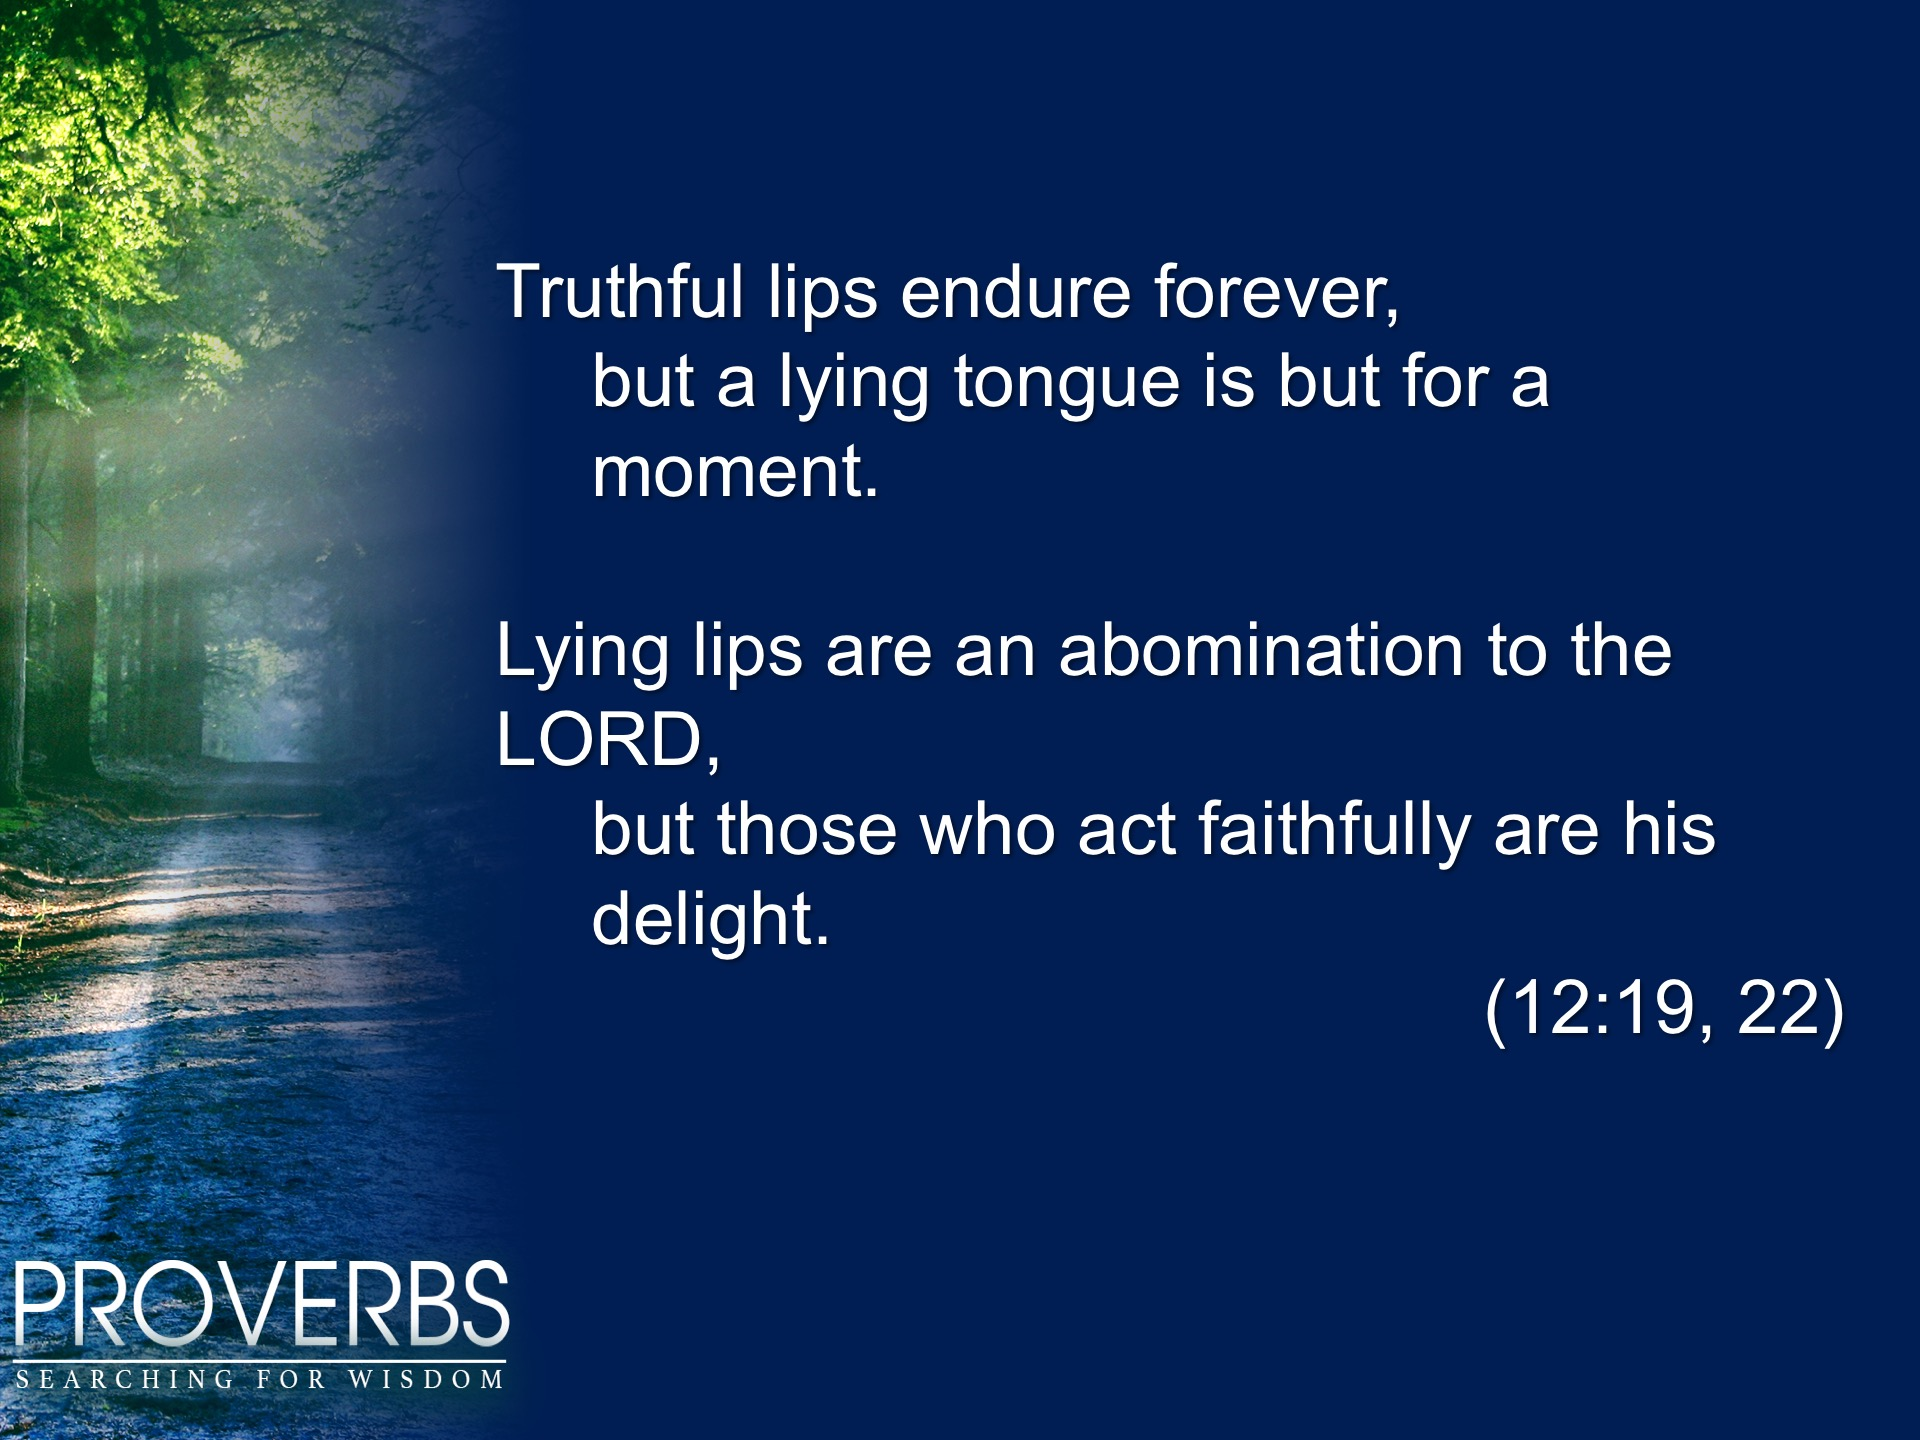

(Matthew 12:34-36)

Martin Luther King, Jr

*In the end, we will  
remember not the words  
of our enemies, but the  
silence of our friends.*

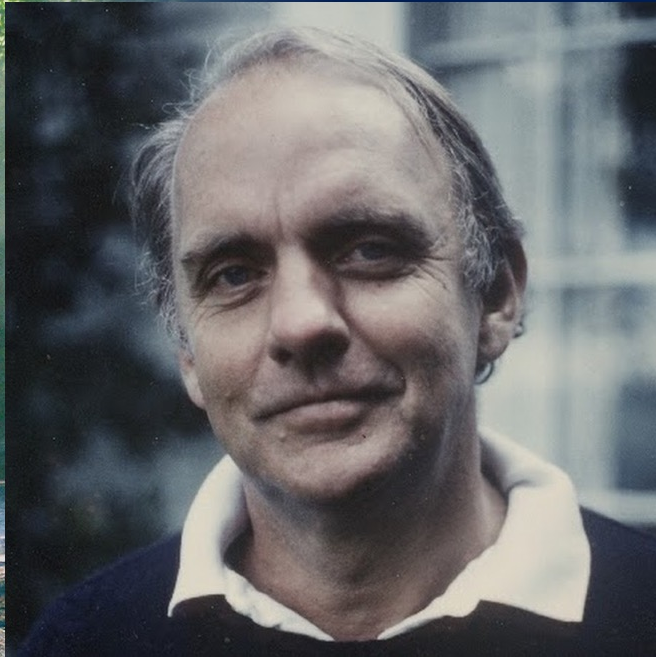

A misty forest path with sunlight filtering through the trees. The path is wet and reflects the light. The trees are tall and thin, with green leaves. The overall atmosphere is serene and peaceful.

Truthful lips endure forever,  
but a lying tongue is but for a  
moment.

Lying lips are an abomination to the  
LORD,  
but those who act faithfully are his  
delight.

(12:19, 22)

*Frederick Buechner*

*Lying to God  
is like sawing the branch  
you're sitting on.  
The better you do it,  
the harder you fall.*

Lord, to whom shall we go? You have  
the words of eternal life. . . .

(John 6)

*Blaise Pascal*

*Kind words do not cost much. They never blister the tongue or lips. They make other people good-natured. They also produce their own image on men's souls, and a beautiful image it is.*
